CHRISTMAS BENEDICTION TO OUR READERS FROM OUR LORD THE MAHA CHOHAN

We call to the Holy Spirit of Christmas Who is a Great Being of Intelligence, kindliness, Love and Perfection and We ask that ALL His Gifts, His Bounty, His Consciousness may flow thru your soul, expand its wings and form the necessary impetus to unite your outer self with your own. Divine Consciousness so you may know no separation from Good and so continue until you become the full outpouring of God and your Higher Self everywhere.

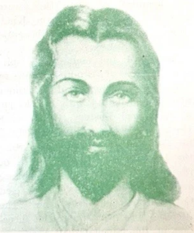
Let this be Our Christmas Gift to you: A Spiritual Benediction and Blessing whereby the Soul within you, ever aspiring upward, is **grasped** by the Higher Self and the connection made a permanent bond whereby the Grace, the Gentleness and the Love of the Light of your Divine Archtype might express freely thru the vehicles that you wear at present.

MAHA CHOHAN.

BELOVED MASTER JESUS AND HOLY MOTHER MARY

As we again approach the Blessed Christmas Season, let us contemplate the Holy Events leading up to the birth of the Master Jesus into the world of men.

As the Cosmic Wheel turned on its orbit, the Golden Ray which was to be the Directing Power and Intelligence of the Christian Dispensation as represented by the Master Jesus, began to play upon the earth. The Sixth Ray, with all Its Devotional Development, Its mystical Stimulus and its "Sweet Annointing from Above" heralded the coming of a Great Teacher, who would embody the Perfection of this Ray, and, in the course of a lifetime, provide the pattern for the human race during the two thousand years while Its Influence would be the predominant force for the evolution of the Angelic, Human and Elemental Kingdoms.



LORD MAITREYA

At Inner Levels, the Great Cosmic Christ, known as Lord Maitreya, chose His chelas, whom we know as The Masters Jesus, Mary and Saint Germain (known to the Christian World as Saint Joseph) to become the Holy Family through whom the blessings of the Sixth Ray might be made manifest to the sons of men. They were chosen, dedicated, and invested with the cosmic opportunity long before they incarnated. The Master whom we now know as Saint Germain being the first to embody in the humble expression of the carpenter, Joseph of Nazareth, Guardian to be of the coming Christ Child. Some time later, the beautiful Mary incarnated and grew to be the Sweet Woman who would be known as The Madonna of The Piscean Age At this time, many Guardian Spirits also chose incarnation through simple, unassuming forms, who were destined later to take their part on the screen of life

THE COMING OF LORD MICHAEL, THE ARCHANGEL

By THOMAS PRINTZ

When the Father-Mother God gave into the keeping of The Great Elohim the responsibility for the creation of a habitable globe, upon which certain intelligent spirits might evolve to God Perfection, the Elohim from out of Their Own Hearts' Light projected forth the Convex Rays which formed the cradle or matrix for the earth. Where these Masculine and Feminine Rays met, the Permanent Atom for the earth was formed This Atom contained within itself the magnetic power by which the Universal Light Substance was drawn into this spherical form and, with the cooperation of the Builders of Form the Nature Devas, and the Directors of the Forces of the Elements, the sea, the earth, the atmosphere, came into being with the Cosmic Fire interpenetrating all.

One Cosmic Day, the work of creation was completed and the Elohim signified to the Sun that the planet earth was ready for habitation.

Three distinct types of Intelligent Life were to be given an opportunity to unfold their God Nature on this small star, Angels, Men and Elementals, each contributing in some manner to the well being and progress of the other, and their combined life force was ordained to weave the spiritual bridge to tie the earth to the Heart of God.

As kind and loving parents prepare for the coming of an expected child long before the advent of the infant upon the earth plane, so did the God Parents prepare for the guardianship, sustenance and protection of the envolving lives who where to be called forth to people this star.

Mankind were to be given the opportunity to experiment with the creative centers of thought and feeling and to learn to draw and mould energy into beautiful forms, becoming co-creators with their God Parents and, in time, builders of suns and stars of their own in the ever widening circle of the rhythm of life.

To sustain the bodies of mankind, the elemental kingdom was sent earthward, charged with the fiat to obey the every direction of Man, to make for him "coats of flesh", to keep these in repair, and to materialize out of the primal substance of earth and air and water the nourishment for the replenishing of his bodies, and the necessities and luxuries which would make his exile a happy and harmonious one. These elementals were put under the direction of Great Nature Devas, and Builders of Form, and — as they served the mankind of earth they were promised evolution into the Kingdom of Directors of Elemental Life in the future.

To guard and nourish the spiritual nature of mankind, and to help the development of the Inner Spark of Divinity into the Flame of Conscious Mastery, the Angelic Host was sent earthward, to stand by the side of mankind, radiating the Love, the Faith, the Will of the Father into the atmosphere and aura of the evolving God Consciousness in every man. The Angelic Host was under the direction of the Seven Great Arch Angels who came from the Central Sun of our system and abided within our physical sun until the Elohim had prepared the planets which were to be Their charge out of the primordial and unformed Light Body of God. The Angelic Host, through association with mankind and the elemental kingdom, were promised that They, in time, might attain the estate of the Archangels and become Guardian Powers in systems of worlds yet unborn from the consciousness of future Solar Lords.

When the elemental kingdoms had made verdant the earth, with produce and beauty, and the Angelic Kingdom had filled its atmosphere with the stimulating essence of Godliness, the planet was ready for the beautiful ceremony by which mankind was welcomed to the hospitality of a New Theatre of Evolution, filled with opportunity, promise, beauty and plenty. And then the descent of man into the world of form took place, a ceremony whose remembrance is written for all eternity on the sensitive substance of Akasha, which will be revitalized and re-vivified one day for the enjoyment and education of all mankind.

The God Head charged the directed Ray into the permanent atom which was to be the magnetic power holding the lifestreams destined to evolve upon the planet within its orbit.

The Great Nature Devas of every mountain, sea and plain vivified the Life Wave through the abundant verdant gifts of nature awaiting the coming of man.

The Angelic Host stood, visible and tangible ,upon the surface of the earth looking upward as the Gates of Heaven opened, and the First Ray, in a burst of Celestial Music, suffused the Heavens with its Lovely Azure Blue, and then formed a Radiant Pathway from the Heart of the Sun to the planet earth over which the first sons of men might, in dignity, descend into incarnation.

Then, before the eyes of the silent witnesses and the Visitors from other planets and systems,

"YE SHALL SEE HEAVEN OPEN AND THE ANGELS OF GOD ASCENDING AND DESCENDING."
—(John 1:51)

appeared in the Open Gates of Heaven the Presence of The Prince of the Heavenly Host, Lord Michael, The Archangel, wearing the Crown of Immortality, clothed in the Light of the Central Sun from whose Bosom He had come to guard and guide the children of earth through the centuries of experience life yet to come. At His Presence, the earth itself began to sing Her Cosmic Song, the Angelic Host poured out Their praise at the coming of Their Lord, the Devas and Builders of Form joined the Spiritual Anthem with Their Majestic Overtoñes, and the sister planets of our system added to the symphony of celestial sound.

Archangel Michael, Son of the King of Kings, Angel of the Resurrection of the God Nature in Angel, man and elemental, who came to insure the safe return of every son of man, every Angel, every elemental at the close of the Cosmic Day!

Then began the Great Descent, Lord Michael sweeping earthward along the Blue Fire Ray, which was anchored into the earth in the vicinity of our present Rocky Mountain Range in the Northwestern part of the United States of America. Behind Him, with slow, majestic grace, came the Glorious Lord Manu of the First Root Race, a Seven Pointed Crown upon His Head, a mantle of Royal Blue upon His Shoulders, the embodiment of the Father God's Design for every lifestream who followed him innocently into the world of from.

Then began the descent of the "innocents"... the first group of mankind to be given an opportunity to incarnate and develop God Maturity on the earth. One by one, or hand in hand, they came, following Lord Michael and the Manu, until the entire number designated by the Father for this first experiment in earthly forms had descended, accompanied by myriads of Guardian Angels, the Protection Aura of the Seraphim and the Light of the Cherubic Hosts who carried the atmosphere of heaven in their shining bodies, and effulgent auras.

Thus, in great beauty, in limitless abundance, in the visible, tangible Presence of Lord Michael and the Angelic Host, and under the kindly guardianship of the Lord Manu Himself, the first Golden Age was entered into and enjoyed by the sons of men. At the close of the cycle, they easily and harmoniously followed Their Manu up the Ladder of Evolution into Their God Estate—Ascension— and the evening and the morning was the First Day.

Through all the succeeding cycles of time, as Ray after Ray provided The Pathway for the descent of new spirits, Lord Michael has remained as the Guardian Over Lord of the Angelic Host, the mankind of earth and the elemental kingdoms, and He shall not fold His Cosmic Wings about Hin to return HOME until the last man is redeemed, the final Angelic Being freed and the last elemental returned to its perfect state. This is the Love of Lord Michael, who like Sanat Kumara, is a Prisoner of Love to the life He serves. Beloved Lord Michael! Thrice Blessed be Thy Sacred Name.

BELOVED MASTER JESUS...

as the Apostles, Disciples and Friends of the Master Jesus, each one fulfilling the ordinary tasks of daily living until their respective 'hours' had come, at which time they joyfully left their outer world pursuits to follow their Beloved Master and take their part in the fulfillment of His Mission. The Master whom we know as Morya El today incarnated as one of the Wise Men and the Master Kuthumi assumed the role of another. Many of our freinds in the world today were present then in office both great and small, all assisting the Master to the best of their ability in His Great Cosmic Mission.

The Archangel Gabriel brought to Mary the tidings of great joy' which the Roman Catholic Church has embodied in the beautiful prayer and invocation called 'The Rosary' — "Hail! Mary, full of Grace, the Lord is with thee, Blessed art thou among women and Blessed is the Fruit of Thy Woomb".

The Archangel Raphael was the Messenger of God who was responsible for drawing the lifestreams of Joseph and Mary together to provide the Protecting Guard for the coming Holy One.

Finally, the solemn Hour of Visitation was at hand. In the Octaves of Light the Great Lord Maitreya (the Cosmic Christ) bestowed His Blessing on His Beloved Son, whom He was to overshadow. As the departing Messiah humbly surrendered His Consciousness to the 'forgetting bonds' of flesh the last countenance His eyes rested upon was the loving and benignant one of the Blessed Lord Maitreya and the first face His conscious gaze rested upon on earth was the tender one of Mary, whose welcoming arms pressed his little form to her joyfully waiting heart.

Oh Blessed Jesus! Harbinger of Peace and Wayshower of fallen man, on this, the Anniversary of Thy Coming to represent the Glory of The Sixth Ray to the planet earth, enfold all mankind in the radiation of Thy Liberated Consciousness, help us' to realize our true identity as Sons of God and grant unto us the Grace, Undertanding and **Will** to rise above the ignorance and limitations of the flesh and endow us with Thy Peace, that Peace 'that passeth all the understanding of the human mind'. We thank Thee and Bless Thy Holy Name forever.

GABRIEL SAID TO MARY: "I AM GABRIEL... I AM SENT TO SHEW THEE GOOD TIDINGS".

THE HOMES AND RETREATS OF THE MASTERS OF WISDOM

THE ROCKY MOUNTAIN RETREAT

DECEMBER 15th to JANUARY 14th 1953

At the close of each twelve month cycle, the Great White Bortherhood meet in the Heart of the Retreat established in the Rocky Mountains in the Western part of the United States at the location where the human race first set foot on the planet earth—following the descent of the Great Arch Angel Michael and the Lord Manu of the First Root Race.

Here, the harvest of the twelve month is gathered and the results of every Brother's service to life in obedience to the Pattern given to them in January of the year just spent is examined by the Lord of the World and the Lords of Karma.

Each member of The Great White Brotherhood brings a report of the activities in which He has been engaged in endeavoring to fulfill the design of the yearly cycle. Each Retreat is represented by a Chosen Ambassador and the ultimate good that has been effected through the endeavors of every member, and the Retreat itself, is presented to the Karmic Board, for upon these reports will the grants, dispensations and directives for the following year be based. Every Retreat, individual Master, and human, Angelic and elemental being who has been given an opportunity to expand the God Plan is called to render an accounting, to explain the services rendered or ignored, and the records are all entered upon the Scroll of Life.

This Activity takes place as soon as the Council meets in order that the heart of the Holy Season — December 21st through January 1st,— may be dedicated to the spiritual contemplation of the Christ and the celebrations in honor of Jesus and Mary's great service to the planet and its peoples.

As the year of 1952 closes, on New Year's Eve, the Cosmic Silent Watcher for the planet earth receives from the Heart of the Solar System the Divine Edict for the year 1953, contained within a beautiful symbol. This pattern contain within It the concentrated activity to which every member of The Great White Brotherhood will contribute His particular talents during the coming year.

Sanat Kumara stands upon the rostrum to receive this Divine Thought Form the instant that the old year closes, and then He re-creates It through His Own Thought and Feeling Centers and projects it into the atmosphere of the Room before the entire Assambled Brotherhood and whatever members of the human race are present at this time. No one (not even Sanat Kumara) has any advance notice as to what this thought form will be, so it is a moment of extreme anticipation and tremendous solemnity, as The Great Silent Watcher lowers this Thought Form into the Holy Grail of Sanat Kumara's upraised Consciousness.

As this Communion takes place, All feel the charge of Divine Will that accompanies Sanat Kumara's Inspiration. As He directs this Pattern into the visible atmosphere before the lectern, it appears in colors with the musical vibration that always accompanies divine creation, and the Pattern for the New Year stands vibrant and beautiful before the eyes of the assembled guests. All of the Members bow before the Divine Edict, and absorb the significance of the Directives within this simple, beautiful symbol of the God Will for the planet. The Angelic, human and elemental kingdoms for the year that has just been born.

After this contemplation, each Member having absorbed the Thought Form into his own individual consciousness, Sanat Kumara signifies that it is time for the Council to use Their Individual Creative Centers to recreate it, and every Member moulds the thought form out of the universal light substance by his own visualizing power and energizes it with the enthusiastic, loving power of his own feeling nature, holding this duplicate form, until a burst of music signifies that Sanat Kumara desires these mutiple forms to go forth from the Retreat and cover the earth, interpenetrating the atmosphere which mankind breathe and forming an influence toward the fulfillment of this God design by the magnetic power and impelling God will that is within them.

The mountain seems to dissolve into pure light, each Member expands His Own Aura to its fullest possible extent, and millions of facsimiles of Sanat Kumara's thought form, containing the pattern for 1953 are catapulted forth in rhythmic pulsations until they cover the earth and fill the inner atmosphere (which mankind breathes in with every breath) with their Presence and their Edict. The mankind of earth who have atended the Council are particularly impregnated with the Power of This Release.

At the close of This Ceremony The Brotherhood prepare for the presentation of Their Petitions and Proposals for 1953. They post their scrolls outside the Audience Chamber and endeavor to secure the interest, cooperation and sponsorship of as many members of the human elemental and Angelic Kingdoms as is possible, so that when They are given the opportunity to present Their Proposals to the Karmic Board, and are asked "who among the sons of men will volunteer their energies to the development of this proposal" They may have enough valuntary contributors to secure the assent of the Karmic Board and a grant of energy from the Cosmic Fount. Many petitions and plans are heard, the sponsors presented, and the grants given by the Karmic Lords and sometimes a Messenger from the Central Sun is present if more than ordinary dispensations are to be offered. Here, mankind, as individuals will do well to prepare their own petitions in writing and study them before retiring, so that they may also appear before the Karmic Council if they have any suggestions of merit to offer to The Brotherhood to further the cause of good. All will be given a hearing.

The final week of the Council is spent in imparting the designated plans for 1953 to the Retreats, The Brothers and the volunteers from the Angelic, Human and Elemental Kingdoms as well, Sanat Kumara prepares to return to Shamballa and set up the orderly procession of the twelve Retreats which will be activated during the year of 1953. The Brothers return to Shamballa, receive this information, and then go to Their Individual Focus of Light to set into motion their activities which will contribute to the greatest manifestation of the Divine Plan and Pattern for the year.

WINGS OF LIGHT

By V. F. ANGELDAY

Beloved Friend of Light and fellow-traveller on the Pathway of Life, bound for the Goal of all Existence — the Heart of God — from whence we came and to Which all must return some day, let us think a moment on our Creative Source and in so doing, draw by our attention a portion of Its Wisdom so freely given in Love, into our own experience.

Who or What created in the first place? What creates in your own world your mind, your body and your affairs? I think you answer me "my intelligence". I ask you "Where is that located in your world?" You say "In my brain". Well, did you, the outer personality, make your intelligence or your brain? Why not? **Could you** ever make one either for yourself or someone else? Then it must have been a Gift to you from Someone Greater than your human self WHO COULD DO IT. The proof is that IT WAS DONE (created) or you would not be thinking with me NOW!

Well! "As above so below". The quiet pool of water reflects in Itself that which is mirrored into it and the **quiet** mind of man — the mind deliberately governed and controlled and compelled to BE STILL will reflect the greater Mind that made It and mirror in it Its Own Great Peace and Perfection. "Be still! and KNOW that I AM — God!" One who is big enough to do this and **stay with it** until it is acomplished just naturally becomes to himself and to the world of men, the greatest proof in the Universe of the existence of God.

You know, there is no such thing in all the world as an 'Atheist". Folks sometimes foolishly declare themselves to be such but HOW COULD IT BE? Since God **is Life,** and as we agreed before, **is the very existence of every human being** by the Life that beats his physical heart, then HOW COULD anyone believe **that there was no God, as he had Life within him?** The very energy by which anyone denies God **is God Himself!** One without Life could deny nothing, could **think** nothing, could **do** nothing! So the very ability to even have an opinion on the subject **is an attribute of God Himself** — vested in His beloved Creation of man!

It is said that Abraham Lincoln once commented that he could imagine someone standing high above this planet Earth and, looking down upon it and seeing the conditions of distress mankind have created, dare to think **that there** was **no God;** but he said he could **never** conceive of anyone standing **on this earth** and looking up into the **magnificent Glory of the Heavins,** declare such a foolish thing!

Even in this world of form, our world of daily living, where "miracles" as such are supposed to be extinct, it is very very evident that **nothing "just happens",** that everything comes from some thing, some where. The very fact a thing exists **proves** it had a Creator (a Source) and that Creator **is always** greater than Its Creation. If a consciousness can create **one** thing, it can create **more** things and so we have the Great Creator of our Universe (God) creating not only man, but those lesser and greater Intelligences Who protect and sustain mankind's existence on this planet Earth.

One of the greatest of these beneficent creations is the Presence of the Angelic Host, Who function

THE MASTERS OF WISDOM SPEAK ON

THE SEVEN RAYS

MAHA CHOHAN — HOLY SPIRIT

The Hand of God working through Rays Three to Seven

The process of evolution, unfoldment and development of the God Design of the Universe is very beautiful, and might be likened unto the successive presentations in a glorious opera, each act allowing the talents and natural heritage of a certain number of lifestreams full freedom to enrich the Universe by the fullest outpouring of their creative endeavors. The Rhythm of Creation is fulfilled through Self-conscious Intelligent Beings, who embody the Key Note of each Age. The lifestreams that these God Directors gather around them amplify this keynote and the cycle is completed through the beings who are privileged to be evolving within that Age. We have passed through Six Cycles and are now entering the Final Act of a major cycle of 14,000 years and the curtain rings up on the Activities of the Seventh Ray, which under the direction of the Master Saint Germain, will unify the consciousness of the Angelic Host, the Mankind of earth and the Elemental Kingdoms. This era, therefore, will manifest the apex of Spiritual Glory through all three kingdoms as well as the planet itself.

EL MORYA — FIRST RAY

Divine Will and Rulership

Many ages have passed into the unseen records which form 'the past' since the First Ray was privileged to be the Predominant Activity playing upon the earth, stimulating the evolution of the Three Kingdoms ascending the ladder toward perfection, side by side. In this long forgotten era the Cosmic Wheel had just begun to turn and the powerful Blue Ray was the major influence of the Spiritual Forces which nourished the God Nature in Man, Angel and Elemental. A goodly number from each kingdom responded to the Outpouring of the First Ray and gained their Eternal Freedom while it was nourishing and energizing those centers within the evolving intelligences which would best enable them to ascend consciously through co-operation with this Potent Power. When the Cosmic Wheel turned to allow the radiation of the Second Ray to play upon our planet, we gathered all the perfection, all the consciousness and the developed harvest of the First Ray into the Inner Spheres, where it remains to this day, awaiting the Final Act of the Earth's drama, when it shall be added to the Heritage of the Seventh Ray as part of the Glory of the Permanent Golden Age, which shall know no end.

KUTHUMI

SECOND RAY

Wisdom - Guardian of Youth

The Second Great Ray which struck the earth when the Cosmic Wheel turned in obedience to the Cosmic Law's Command played like a great searchlight upon the planet and became the invisible but palpable substance of the atmosphere in which the Angelic, Human and Elemental Kingdoms had their being. These Evolutionary Beings absorbed this God Directed Nourishment which enabled them to grow and mature according to the Divine Plan. Again, only a portion of each kingdom responded, and these joined the Free Beings who had availed themselves of the Outpouring of the First Ray. At the expiration of the reign of The Second Ray, much beauty, wisdom, perfection and momentum of God Power were added to the store of Akasha, to be released again in the age of The Seventh Ray as the Gift of The Second Ray in Earth's Final Hour. We, the Brothers of The Second Ray, delight in anticipating our co-operation with the Activities of The Ceremonial Ray, which will come to such great perfection in the near future.

VENETIAN — THIRD RAY

Diplomacy and Tact-Tolerance, a "Gentle-Man"

Even as the physical sun releases certain properties which excite the growth and development of particular flowers in successive seasons, and the vibrations within the pattern of those flowers respond only to that stimulus, so do the Successive Outpourings of the Seven Rays from the Cosmic Wheel consecutively develope a group of Angelic, Human and Elemental Beings, who flower and attain God Maturity in the age which is their natural time for 'blossoming'. Others who are "marked" for a later unfoldment seem to be untouched by the very vital forces which energize and attune the inner selves of the children who are a Natural Part of the particular Ray which is active in a cycle of time. Teachers and leaders who are inspired by the stimulation of the Ray active during the time of their incarnation usually find response only from those lifestreams who are naturally destined to unfold in such a cycle, while the others remain among the indifferent masses until 'their hour comes', just as the bulb of a flower is dormant until the season for its development calls it forth to active expression. It is only unascended beings who are impatient because all men do not respond to the same vibrations, which is as foolish an attitude as that of a gardener or a farmer who would insist that all his crops mature on the same day in the same month in the same season.

"UNTO US A CHILD IS BORN... AND HIS NAME SHALL BE... THE PRINCE OF PEACE".
(Isa. 9:6)

SERAPIS BEY — FOURTH RAY

Art and Beauty - Hierarch of Luxor

The turning of The Cosmic Wheel takes place in rhythmic cycles of approximately two thousand years each. Thus, one complete revolution embodies a major cycle of fourteen thousand years. The Planet Earth, and the Angelic, Human and Elemental Kingdoms envolving upon it are the recipients of the Outpouring of a specific and powerfully concentrated force during each two thousand year cycle and all the development through the three kingdoms, which contribute to the expansion of the Kingdom of God, becomes the Heritage of the race, being held in the Inner Spheres by the Chohan of each Ray until the complete revolution of the Cosmic Wheel allows the Seventh Ray the opportunity to draw forth and present the combined harvest of the entire Fourteen Thousand Year Cycle. We are at this point today, and as the Seventh Ray is just at the beginning of Its Reign, the full gathered momentum that has been attained by all Reigns, Powers and Legions of Light through the past twelve thousand years, will be drawn upon the stage of life through the combined endeavors of the Perfected Beings who have climbed the ladder of evolution while any one of the preceding Rays was active. In this Era we enjoy a triple Activity: We have the natural Outpouring of the Seventh Ray Iself, we are the fortunate recipients of the Gifts of the foregoing Six Rays and we take part in the closing of the Major Cycle of Fourteen Thousand Years, when the First and Seventh Rays meet — Alpha and Omega. Thus, the immortal words 'IT IS FINISHED' spoken by the Master Jesus in His role of Cosmic Christ will be the stamp of Eternal Confirmation on the planet earth's victorious evolution.

HILARION — FIFTH RAY

Science and God

Up to the present time the evolution of the Angelic Hos, Manlution and The Elemental Kingdoms have proceeded without much actual cooperation among the intelligences involved. The work of the Seventh Ray is the drawing together and bringing to fruition the complete harvest, comprising the endeavors of these kingdoms through the fourteen thousand year cycle. It is also the service of this Ray to bring into harmonious, cooperative and conscious unity the members of these three kingdoms. This unison of the three kingdoms is best accomplished through the beautiful ritual which embody music, rhythm, color, perfume, artistic beauty of form, including the exquisite vestments that stimulate the highest type of worship that has yet been evolved or made manifest in this chain. The Great Prince, Saint Germain, as Lord of the Ceremonial Ray, will gradually draw those lifestream who are naturally attuned to His Ray into conscious cooperation with the work of the New Era and He will be assisted by those volunteers from the other Six Rays who are most highly developed along their particular evolutionary line. This Activity of the future so far transcends anything that the human mind has yet conceived that it it is impossible to

Daily Work Sheet

Angels and Men

Dec. 15-Jan 14

In the early ages, as recorded in the Bible, the Angels walked and talked with men at all times, and in the days that are to come this will again be so.

As individuals choose to become co-workers with the Angelic Host they will have a tremendous opportunity in drawing those Heavenly Beings close to them in **the one manner** that evokes the Presence of an Angel — THE RADIATION OF LOVE.

When such an individual is found, vast numbers of the Angelic Host are always bathing in the aura of such an one's being.

You have seen a moth rush towards a flame, and so do the Angelic Host rush towards a harmonious outpouring of energy whether thru men or thru nature itself

If you would ask the Angels to enter your world. They would bring much of the buoyancy and cosmic contentment that your personality requiere. They act on the inner bodies exactly as water does on a thristy plant.

They are a tremendous healing agent and a very great peace-giving power to turbulent Spirits.

You may have as many of these Celestial Beings as your feelings will allow to enter into your personal association.

If you will invite them, you will feel Their Presence, and after you have once felt Their Presence., you will live in a manner that will keep them by your side.

Daily Work: You can **test** this Law by sending forth, as often as you can during the day, strong vibrations of Love, and you will **feel** the **currents** of the angels return on them, just as if you moved your hands across a harp and struck a note of harmony.

"AND THERE APPEARED AN ANGEL UNTO HIM FROM HEAVEN, STRENGTHENING HIM"
(Luke 22:43)

THE SEVEN RAYS...

(Continued from Page 51)

describe the glorious achievement that awaits the evolving lifestreams who will attain their freedom in this Final Era.

JESUS — SIXTH RAY

Religious Worship Through Devotion and Reverent Feeling

The turning of the Cosmic Wheel is governed by the God Intelligence at the very center of our Universe. It is a manifestation of the Love of the Father which allows each life intelligence the opportunity to be bathed in the spiritual nourishment that corresponds to his own keynote. To deny the progressive evolution of the race is as foolish as it would be for a man to refuse to believe that the crisp currents of April are followed by the soft, mellow outpouring of May, whose warm and gentle spirit allows the more delicate blooms of Spring an opportunity to flourish. The currents that play upon the earth in each two thousand year cycle are just like the diversified currents of the progressive seasons of the year, and the various intelligences of the Three Kingdoms are ordained by God to bloom and flower in a particular spiritual season, lest all the glory adorn one cycle and the balance of time be barren of any manifest perfection in Angel, Man or Elemental.

SAINT GERMAIN — SEVENTH RAY

Ceremonial Worship, cultivating the training and direction of spiritual energies of both Angels and Men.

The Seventh Ray is to the evolving Angelic Host, Mankind and the Elemental Kingdoms as the season of harvest is to the Agricultural Kingdom. Man accepts without question the orderly procession of the natural seasons; the specific atmosphere and radiation of Spring, Summer and Autum, together with the particular gifts of harvest that each season brings, but he refuses to allow the glorious Spiritual Seasons the same freedom to bring their gifts and powers into the experience life of the race. It is as futile to attempt to hold back the Glorious Perfection that will be expressed during the reign of the Seventh Ray as it would be for any man to refuse to allow Nature to provide the harvest of the fields. Oh, how we long for the day when man will stop 'battling' the good that God outpours through those of us who are Messengers and, working with the current of the hour, accept the fullness of its upward sweeping energies on whose crest be may ride to Immortal Freedom. In my entire association with the Angelic and Elemental Kigdoms I have never heard a builder of the form of the early crocus refuse to allow the beauty of expression of the Autum aster nor an Angel of Music refuse to accept the possibility of equal expression to an Angel of Healing. Man, alone, insists that all of his kind must fit into **one** pattern in order to appease his human notion of respectability. Nevertheless, I thank God that we are not all of one pattern, human thought notwithstanding.

on the earth and in its atmosphere, under the direction of the Great Archangel Michael, to bless mankind.

One of the Masters of Wisdom said recently:

"I long for the hour when the curtain of human indifference and unconcern is drawn aside, and the mankind of earth see for themselves the constant, beautiful, tireless, loving service that the Angelic Host voluntarily perform to make the very atmosphere in which they move pure enough to sustain the elements that make up the physical bodies of the people. The forces of the elements would not be able to hold a physical form for the evolving spirit, were it not for the constant purification going on in the inner realms, particularly under the direction of Lord Michael and the Angels of the Blue Flame and Ray which come under His Guidance and act on the Ray of His Love. It is a miracle in itself that the orthodox world has given the limited recognition to Him which has held the connection between the Angelic Brotherhood and the people of earth unbroken through the ages". All His Love and Blessings to You!
